About us

Designer Radiators & Towel Rails

Leporce Limited is a leading importer and stockist of Designer Radiators and Towel Rails. Leporce symbolizes architectural spaces & designs that redefine eternity of style and a sense of fashion. Since its inception, Leporce has constantly upheld the fundamental values of great design and combined them with passion and outstanding craftsmanship.

Our vision is to become a point of reference for all clients and operators of the Radiator and Towel Rail market in the United Kingdom. while our mission is to provide top-quality and high aesthetic Designer Radiator for every use application in residential, commercial and public building projects.

Our team combines diverse capabilities and profiles ranging from radiator designers to technologists to bring ultimate product outcomes to satisfy each customer's desire. United by integrity and a strong commitment to our customers, we intend to offer top-quality products at the lowest possible prices.
